What is Title I?

Thurgood Marshall Elementary is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support state and local school reform efforts tied to challenging state academic standards to reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parental engagement. All Title I schools must jointly develop a parent & family engagement policy.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Thurgood Marshall Elementary will provide opportunities to improve parent engagement to support student learning. Thurgood Marshall Elementary values the contributions and involvement of parents to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Thurgood Marshall Elementary will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Thurgood Marshall Elementary School invited all parents to attend our Annual Title I Parent Meeting last Fall to review and revise this parent & family engagement policy, as well as the schoolwide plan, our school-parent compact, and the parent and family engagement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through an online form. The plan is posted on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute and post an annual survey to ask parents for their suggestions on the plan and the use of funds for parental engagement. Parents can also give feedback during several parent meetings and activities during the school year including our Community Cares event.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. Thurgood Marshall Elementary will provide full opportunity for the participation of parents with limited English, families in transition, parents with disabilities, and parents of migratory children.

Where is it available?

At the beginning of the year, the plan will be posted on the school website. As a reminder, we will send the plan to all parents in August and distribute it again during our scheduled Open House event and Annual Title I Meetings. Parents can also retrieve a copy of the plan in the Parent Resource Center.

2018-2019 District Goals

By 2023, Clayton County Public Schools will increase the percentage of students scoring at the Proficient and /or Distinguished levels on standard assessments to at least 80% in each content area.

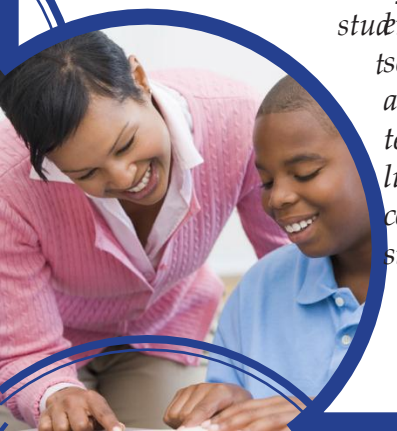

Thurgood Marshall Elementary School Goals

By 2023, Thurgood Marshall Elementary will increase the number of benchmark and above benchmark students to 80% as measured by Dibels (K-1st).

By 2023, Thurgood Marshall Elementary will increase the number of benchmark students to 80% as measured by i-Ready Reading (2nd-5th) and Math (K-5th).

School-Parent Compacts

As part of this plan, Marshall Elementary and our families will develop a school-parent compact, which is an agreement that parents, teachers, and students will develop that explains how parents and teachers will work together to make sure all of our students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, students and teachers. The school-parent compacts are kept with each child's teacher and parent liaison if parents need a copy. Input from all stakeholders is solicited in the Spring & Fall 2018.

Let's Get Together!

Thurgood Marshall Elementary will host the following events to build the capacity for strong parent & family engagement to support a partnership among the school, parents, and the community for the improvement of student academic achievement. All meetings for parents will be held at varying times of the day and evenings convenient to our parents.

Parent & Family Engagement

Thurgood Marshall Elementary believes that parent & family engagement means the participation of parents & families in regular two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- That parents play an integral role in assisting their child's learning.
- That parents are encouraged to be actively involved in their child's education at school.
- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.
- The carrying out of other activities as described in this plan.

Thurgood Marshall Elementary
is committed to

helping our parents attend the parent and family engagement activities listed in this plan.

Please call or email us if you need assistance in order to participate in our programs.

Marshall Parents & Families-Equal Partners in Education!

Marshall Elementary will take the following measures to promote and support parents as an important foundation of the school in order to strengthen the school and reach our school goals. We will:

Ensure that all essential information related to school and parent programs, meetings, and other activities is published in both English, Spanish and Vietnamese posted on the school website, and included in the monthly school newsletter or announcements for all parents, families and community stakeholders when possible.

Provide trainings for staff during faculty meetings on strategies to improve communication with parents and ideas to increase family engagement. Staff will also share best practices during regularly scheduled faculty meetings.

Partner with community organizations in presenting workshops and conducting meetings for parents and sending home school information about parent engagement activities to help prepare parents and their child for kindergarten to improve school transition.

Share information in English, Spanish and Vietnamese online or in the school e-newsletter for parents to understand the school's academic standards and assessments as well as the ways parents can monitor their child's progress and work with educators.

Communicate with all families and the community on a regular basis regarding schoolwide events and activities, through means such as phone messages, marquee, school website, Parent & Family Resource Center bulletin board, ClassDojo, newsletters, e-Parent Bulletins, Parent & Family Engagement Calendar and flyers.

Work with our parents to develop relevant professional development workshops and helpful presentations to educate our staff on the importance of parent engagement.

Provide materials and handouts for parents at conferences, meetings, and activities to help parents work with their child to improve their child's achievement.

Use our Partners in Education and Parent & Family Engagement Team to improve awareness of the activities and events listed in the School Parent & Family Engagement Plan.

Offer literacy and computer classes for parents to help further enhance their various educational levels through collaboration with our partners & stakeholders.

Collect feedback from parents at school events, place input and suggestion cards in the office, Parent & Family Resource Center and website in order to respond to parents' requests for additional support for parent & family engagement activities.

Parental Engagement Standards

Thurgood Marshall Elementary and our parents have adopted Joyce Epstein's 6 types of Parent Involvement for Family-School Partnerships as the school's model in engaging parents, families, students, and the community.

Parent engagement includes:

1. Welcoming All Families/Parenting
2. Communicating Effectively /Communicating
3. Supporting Student Success/Learning at Home
4. Speaking Up for Every Child/Volunteering
5. Sharing Power/Decision-Making
6. Collaborating with Community

Parent & Family Engagement Team

Thurgood Marshall Elementary invites all parents to join the Parent & Family Engagement Team to share ideas and ways to involve other parents to build partnerships with school, families, and the community. The team will meet four times during the school year, but parents can also submit their ideas or suggestions at any school activities and meetings, as well as through our parent surveys and website.

If you would like to learn more about the Parent & Family Engagement Team, please contact Dr. Holloman, Principal at (678) 827-7942 or complete the interest form and leave it in the Main Office.
